ORDER:

APTOnline Ltd., (formerly known as APOOnline Ltd.) was set up as a Joint Venture between State Government and TATA Consultancy Services Limited to improve the efficiency and productivity of operations of all departments in addition to being citizen centric to cater to the growing IT needs of all departments.

2. TSONline Ltd., (<http://www.tsonline.gov.in>) a business division of APTOnline Limited operates in the State of Telangana to provide an electronic gateway to various services offered by the Government. In the G.O's read above, detailed guidelines were issued and their validity extended from time to time for development of Applications, Services and Websites and their hosting on TSONline, a business division of APTOnline Ltd.

3. Government, after careful examination and in view of the cost inflation in last 10 years, hereby revise the charges prescribed in the G.Os 5th and 11th read above for the category **Application Development, Maintenance & Support** in the table “Charges for

development of software application" under Sl.No.4,in supersession of the guidelines prescribed in the said G.Os, as follows.

Sl. No	Category of Application	Cost (in Rs.)		Functionality
		Resources Category	Man Month Rates	
4	Application Development, Maintenance & Support	Project Manager	2,00,000	Pricing is on a T&M basis. Transition to a Fixed Price Model can be adopted after a detailed study of the application. It is recommended that Maintenance & Support work be entrusted initially on T&M basis for a period of 6 months with an option to move to Fixed Price later. Price for a Fixed Price Model will be submitted separately by TSONline, a business division of APTOnline Ltd., within a week after the completion of the study. Notes 1. This model can be employed by desirous departments for evaluating and reengineering (if required) their existing applications. 2. The Composition of the Project Team will be decided by the concerned department in mutual agreement with TSONline, a business division of APTOnline Ltd. 3. In the event of the Project Team members being shared across various projects of the same departments or different departments, the related costs will be apportioned accordingly.
		Project Leader	1,75,000	
		IT Consultant	1,75,000
